akash240204@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#) | +91 9310179338

Education

MCA, JSSATE, Noida
BCA, GGSIPU, New Delhi

Sept, 2025 - Present
Oct, 2022 – May 2025

Experience

Web Developer Intern | Prodigy Infotech

1 Month | June, 2024

- Developed and optimized responsive React.js applications using Bootstrap and RESTful APIs, enhancing front-end functionality and user engagement.
- Collaborated on feature development, debugging, and code optimization to maintain clean and efficient codebase while ensuring timely project completion.

Projects

Uber Ride Dashboard | [GitHub](#)

Power BI, DAX, Excel

- Built a data analytics dashboard to analyse Uber ride data, leveraging Python, Pandas, SQL, and Power BI for data processing and visualization.
- Conducted exploratory data analysis on trip, location, and time-based datasets to identify demand hotspots, peak usage periods, and revenue-driving trends.
- Created interactive dashboards featuring KPIs, trend analysis, and geospatial insights, enabling stakeholders to optimize resource allocation and improve business performance.

Mobile Sales Dashboard | [GitHub](#)

Power BI, DAX, Excel

- Developed an interactive **Mobile Sales Dashboard** in **Power BI** to analyse sales performance, revenue trends, and customer insights.
- Utilized **Power Query** and **DAX** for data transformation, modelling, and KPI calculations, enabling efficient business reporting.
- Created dynamic visualizations and filters to track key metrics, supporting data-driven decision-making and performance optimization.

AI Chatbot using Python | [GitHub](#)

Python, NLP, Groq API, Custom Tkinter

- Developed an **AI Chatbot using Python** with speech recognition and text-to-speech capabilities for seamless voice-based interactions using NLP and LLMs.
- Integrated **LLM APIs**, natural language processing, and real-time response generation to provide intelligent conversational assistance.
- Designed a user-friendly GUI and optimized response handling, enhancing user experience and interaction efficiency.

Skills

- Data Analysis & Visualization:** Power BI, DAX, Excel, Pandas, NumPy, Seaborn, Matplotlib, Data Visualization
- Programming & Database:** Python, SQL, C++, Java, VS Code, Data Structure and Algorithms.
- Data Engineering & Modelling:** Data Cleaning, EDA, ML, Feature Engineering, Data Modelling, ETL Processes, NLP
- Web Development Tools:** HTML, CSS, JavaScript, UI/UX, React JS, MongoDB, Tailwind, REST APIs

Certifications

- AWS Cloud Practitioner Certification by Amazon and Geeks for Geeks
- Python Pandas Certification Course by Kaggle
- Career Essentials in Generative AI by Microsoft and LinkedIn
- Training on Full Stack Java by Cetpa Infotech Pvt. Ltd., Noida
- UI/UX Design certificate by Great Learning
- NCC 'B' and 'C' Army Wing Certificate holder both with Grade 'A'
